

# Spring Gardening Checklist

by [RootsNursery.com](http://RootsNursery.com)

## Early Spring:

- Clean and Sharpen Tools
- Clean Fallen Branches and Debris
- Remove Excess Mulch From Crown of Plants
- Pull any weeds
- Cut back Grasses that were Left over winter
- Check for Plants that have Heaved
- Clean Garden edges. Re-edge if necessary
- Prune Dead or Diseased Branches from Shrubs
- Add New Compost to Beds
- Apply Preen or pre-emergent weed control
- Plant Roses, Shrubs and Trees
- Turn Compost
- Set up Fountains and Bird Baths
- Finish Lefover Garden Projects

## After Danger of Frost:

- Divide Grasses and Perennials
- Plant out vegetables from seed flats
- Install new Garden Beds
- Plant Canna, Gladiolus & summer bulbs
